History, Fun and Adventure from the D-Day Beaches of Normandy to Belgium, the Rhine River, Romantic Road and Bavarian Alps!

World War II History, Culture and Scenery in France, Belgium and Germany.

This Tour begins at Paris (CDG) Airport in France and finishes at Munich (MUC) Airport in Germany. On our drive from Paris to Normandy, we make a stop at Benouville, where you will hear the incredible story of the four-year preparation and training period for the Allies, which preceded D-Day 1944. Visit Pegasus Bridge, where the British 6th Airborne Division spearheaded the entire assault forces with a commando-style raid on the village. See an original German coastal battery with its original cannons still in place. We will also make our way to Arromanches, to witness the ruins of the former artificial "Mulberry" harbor. We will spend a full day visiting sites at UTAH Beach, including the town of Ste. Mere Eglise, La Fiere Causeway, Sainte Marie-du-Mont, and more. At OMAHA Beach, we will start by visiting Pointe du Hoc, where the 2nd US Ranger Battalion scaled the 100ft cliffs against all odds. Next, we continue to Verville-sur-Mer, where the 29th Infantry Division suffered horrible casualties on D-Day. We will also visit Normandy American Cemetery, to pay our respects to more than 9,000 war dead buried there.

Visit Battle of the Bulge sites in the Ardennes Forest of Belgium.

From Normandy, we head along the northern coast to the Pas-de-Calais to Recques-sur-Hem. Relax in the evening and stay overnight in an 18th Century Chateau hotel, surrounded by a private park. We continue with a visit to a former Nazi underground secret weapons factory at La Couple, before arriving in the Belgian Ardennes, where we will spend a full day visiting Battle of the Bulge sites. We will overnight in Bastogne, where the 101st Airborne Division and other units held the line under continuous German attacks to take the important city. Our Battlefield Tour of the Ardennes also includes the foxholes of "Easy Company" paratroopers (*Band of Brothers*) from the 506th PIR, 101st Airborne Division and much more. Visit the actual spot where General Patton's 4th Armored Division broke through the encirclement around Bastogne, marking a major turning point in the battle. We will have a scenic drive into nearby Luxembourg, where we will visit the Luxembourg American Cemetery and see General Patton's grave. We continue this incredible tour with a visit to the Rhine River in Germany, where we enjoy the spectacular scenery from our medieval castle hotel overlooking the town of St. Goar on the Rhine River...

Explore Third Reich Sites in Bavaria, Germany and visit the Eagle's Nest.

The secrets of the Third Reich are revealed as we investigate Hitler's rise to power in Nuremberg and Munich, the birthplace of the 'Movement'. We will also explain how the Nazi State changed under Hitler's tyrannical Dictatorship, and how propaganda was perfected at the annual Nazi Party Rallies in Nuremberg. At Dachau Memorial we will explain the history of the Jewish Holocaust. During our two full days in Berchtesgaden, we explore the nearby Obersalzberg Mountain, which was a refuge for Hitler in the early days. The mountain was transformed into the southern headquarters for the Third Reich in the mid-1930's. History comes alive as we tour Hitler's underground bunkers at Obersalzberg and travel to the infamous mountaintop Eagle's Nest.
